I asked Jason to make the simple changes and accept all insertions/deletions, but we would like to discuss the report as well. Let us have a few days to digest it and maybe we can set up something for Friday (11th) or Monday (14th)?

Hey Robert and Jason,

On Page number 6, the last paragraph with the comment about background sample comparison, after further internal discussion last week we would like to discuss with you all very quickly before revisions are made in reference to this section. Let us know when you have a chance to discuss once you review everything. Thank you!

Hey Robert and Jason,

I hope you all had a good holiday weekend. Please see the comments for the Lake Conestee SI. This should be the only revision needed and it will get the final approval. Let me know if you have any questions. Thank you!

-Best Wishes,
Alayna
